Education

Lakshmi Narain College of Technology, Bhopal — 2023 - 2027
B.Tech in Computer science Engineering — 8.37/10 CGPA

Ribal English H S School, Bijawar, M.P. Board (Class XII) — 2022 - 2023 Aggregate: 82%

Maharishi Vidya Mandir, C.B.S.E (Class X) — 2020 - 2021 Aggregate: 91.4%

Technical Skills

Programming Languages: Java, Python
General: Data Structures & Algorithms, Object-Oriented Programming (OOP), DBMS
Frameworks & Libraries: Java Collection
Frontend Frameworks: HTML5 ,CSS5 , ReactJS.
Backend Frameworks: NodeJS , Spring Core , REST API
Databases: MySQL, Firebase
Tools & Platforms: VS Code ,Postman , Intellij , Google Collab
Version Control: Git , GitHub

Projects

Custom URL Shortener | Node.js, Express.js, JavaScript, MongoDB

- Built a backend service from scratch using Express.js to streamline long URLs, demonstrating a practical understanding of server-side architecture.
- Engineered API endpoints (GET and POST) to accept user input, generate unique short codes, and store the mappings in MongoDB.
- Optimized the redirection logic to minimize latency when translating short links back to their original web addresses.
- Structured the project with modular code practices, separating routing logic from core application logic for better maintainability.

Movie List Management System | Java, Spring Boot, Spring Data JPA, MySQL

- Developed a RESTful Movie List Management application using Java, Spring Boot, and Spring Data JPA to perform CRUD (Create, Read, Update, Delete) operations on movie records.
- Used Spring Data JPA with Hibernate for efficient database interaction and object-relational mapping (ORM).
- Tested API endpoints using Postman and implemented proper exception handling with appropriate HTTP status codes.
- Followed a layered architecture (Controller, Service, Repository) to ensure clean, maintainable, and scalable code.

Certifications & Achievements

- SIH 2025 participant.
- Solved 300+ question on CodeChef, leetcode , CodeForces.
- Salesforce: Agentforce Specialist.
- Cisco: Virtual Internship program in Cybersecurit
- Infosys: Java programming.
- Forage and Deloitte Certified: Cyber
