LeetCode: https://leetcode.com/u/tejeshwanicodes

CAREER OBJECTIVE

B.Tech CSE student (graduating 2028) seeking a Software Developer / IT placement role where I can apply my C++, Python, Java and SQL fundamentals, solve problems on LeetCode, and keep growing through real projects.

EDUCATION

B.Tech, Computer Science & Engineering — **Expected 2028**
Lakshmi Narain College of Technology Excellence (LNCTE), Bhopal — Currently in 5th Semester

- CGPA: 7.96 | First-year CGPA: 7.76

Class XII – MP Board — **90.8%**
Class X – MP Board — **93.6%**

TECHNICAL SKILLS

- **Programming Languages:** C++, Python (basics), Java (learning)
- **Libraries & Tools:** Pandas, Scikit-learn, Streamlit
- **Databases:** SQL, DBMS (basics)
- **Problem Solving:** Practice on LeetCode (profile linked above)

PROJECTS

CivicLens – AI-Powered Anomaly & Efficiency Detection for MPLADS — *SIH 2026*

- Built a working Streamlit prototype that flags high-risk MPLADS (MP Local Area Development Scheme) projects using risk rules plus an Isolation Forest ML model, showing the risk level and reason for each flagged project.
- Tested on 43,899 completed works from real MPLADS data; pipeline covers data cleaning, feature preparation, risk scoring, dashboard and human verification.
- **Tech:** Python, Pandas, Scikit-learn, Isolation Forest, Streamlit.

Smart Fleet Management for Logistics (Industrial / IoT Focus) — *Minor Project Synopsis, 5th Sem*

- Part of a 3-member team that prepared a synopsis for an IoT-based fleet system combining sensing, edge computing and cloud analytics for real-time vehicle tracking, predictive maintenance and cargo monitoring.
- Synopsis covers a proposed five-layer architecture (sensing, edge, connectivity, cloud platform, application), KPIs and a phased development plan; guided by Dr. Dipak Soni.

CERTIFICATIONS

Applied Generative AI Certification – Infosys Springboard — *Oct 2026*
Cyber Security Fundamentals Certification – Infosys Springboard — *Oct 2026*
Prompt Engineering and ChatGPT – IT-ITeS Sector Skill Council (Nasscom) — *Sep 2026*
